Joyce Clark, AA '61, and Nick Shaffer, AA '61, have been selected as Co-chairmen of Senior Week for the class of 1961.

In an address to the Graduate Student Council, President McDonald said that the editor of the paper be chosen on the basis of qualifications and experience rather than personal achievement. It advised that the paper form an editorial policy and that the student editor's opinion on news editing and reporting be accepted for publication.

The Student Council resolved that the editor of the paper be chosen on the basis of qualifications and experience rather than personal achievement. It advised that the paper form an editorial policy and that the student editor's opinion on news editing and reporting be accepted for publication.

It has recommended that this resolution be considered, much misunderstanding and reduction of potential damage removed. It recommended that there be one vote of confidence, determined by a majority of the 61st Senior Week Co-Chairmen and the student body.

Thursday, April 13, Home Ec Club held its monthly meeting in the Sewing Room. A skit about the college was given.

MISS HAYES HOPES FOR TOP HONORS

NR Editors Announced

News Record format and content for the following year will be determined by a baker’s dozen of new editors on the 1960-1961 Editorial Board. The 13 editors, headed bybury Hayes, A&S ’62, editor-in-chief, and Bonnie Werthing, TC ’63, managing editor, assumed responsibility with the production of this week’s issue. Miss Hayes and Miss Woelker, both new members of the UC Board of Publications, also are co-chairmen of the 35th annual convention of the Ohio Collegiate Newspaper Association to be hosted by UC this weekend.

“The with the enthusiastic work and cooperation of everyone next year, there’s no reason why the News Record shouldn’t again win top honors in O.C.N.A. competition,” Miss Hayes noted. Among other awards won at last year’s convention, the NR was named Ohio’s Best Weekly Newspaper.

Ohio State Spirit

In its April 10 issue the Ohio State Lantern printed in full the News Record editorial of April 8 in which we wondered why it is that some of us — as great as an NCAA championship to bring about really active spirit and demonstrations on our campus.

Following the copy of the editorial the Lantern printed a quotation from Chesterfield saying, "Spirit is now a very fashionable word to act with spirit means only to act rashly and

Major objectives of the News Record will be to print all news in a fair and unbiased manner; to publicize all events, cultural and social, which are of interest to the students; and to make the News Record an organ of the students, the administration, and the faculty through which they can voice their opinions.

In relation to the latter, the following will be our policies on letters to the editor:

1. All letters must be signed. If a person’s name has been withheld, the writer may indicate this and the News Record will do so, but letters must be signed when submitted.

2. All letters must be within the bounds of good taste, not offending anyone’s race, religion, or creed.

3. Letters will be printed in the space available, letters should generally not exceed 300 words. Those exceeding the special limitations will be cut by the News Record editorial staff.

Application of these policies is in the hands of the editorial board and the editor-in-chief. We will, to the best of our ability, enforce these policies and make full responsibility for anything appearing in the News Record.

UC Sends 3 To Gathering From AWS

UC Sends 3 To Gathering From AWS

Miss Marion McNair, Assistant Dean of Women, Bonnie Møller, A.S ‘63, and Isidore Altobelli, 1961-63, were among 93 students and 80 deans of women and women student advisers who took part in the annual convention of Intercollegiate Associated Women Students (IAWS) held on the University of Wisconsin campus last month.

Sesons of the convention, which had as its theme “The Continuing Siting and Winnowing By Which the Truth Can Be Found,” were held in Chadbourne Hall and the Wisconsin Union and Wisconsin Center buildings on the UW campus.

When the 500 co-eds and deans of women and advisers from 135 colleges and universities in 41 states met on the UW campus during the past week, they were returned to the scenes of their organization’s first convention in 1947. The first convention of IAWS was held at UW back in that year. It was a source of pride from nearly as many co-eds and advisers. The IAWS now includes all student governments in groups representing women students on the campus of colleges and universities throughout the nation. The groups offer co-eds an opportunity to meet college women and advisers for the respective colleges will be available at the University of Wisconsin at Madison, October 23-24, 1970.

It has been announced by the Men’s Advisory System of the Dean of Men’s Office that Jim Hayes, End 82, a Junior in the College of Engineering, will be the university chairman for this year. He will be selected last year as the coordination chairman for Men’s Advisory as well as the college chairman for the University College.

Jim Hayes has been very active on campus, among his activities he has been president of a number of groups, a member of the group, and the advisor to the Men’s Advisory System. He has been a member of the Secretary of American Society of Chemistry and is a member of the student government for this year’s Junior Prom Committee.

This is the ninth year of the Men’s Advisory System on this campus. At the current rising in enrollment its purpose and value make it indispensable in meeting the needs of students during the early weeks of the school year.

In this position, Jim Hayes has expressed his desire to make Men’s Advisory the most important aspect of the Freshman Orientation Program. At present he is working on some programs and hopes to introduce some changes and modifications that will make it a more meaningful experience for the incoming student and the Adviser as well.

Jim will be selecting College Chairmen in the near future. Petitions for College Chairmen and advisors for the respective colleges will be available at the Union Desk, starting May 1.

The United States Marine Corps Officer Selection Team will visit the campus May 2 and 3 to interview students interested in obtaining a commission as a Second Lieutenant in the United States Marine Corps Reserve.

Opportunities are currently available via the Platoon Leaders Class for ground or aviation duty, for undergraduates. For seniors interested or planning to enroll in the officer Candidates Course for both ground and aviation.

In addition, the Marine Corps recently established a Language Programmer for students intending or planning to attend law School and the Social Science Officer (SASSOC) Program for those who have completed two years of college.

The Marine corps representatives with walk a number of students on the campus at Union Hall and offer to sign up interested students.

OVERTAKING AGAIN, EH, BILLY?
One of the largest lists of promotions in years for University of Cincinnati faculty and administra-
tive staff was announced by Dr. Walter C. Langsam, UC presi-
dent. The changes, affecting nearly 210 persons, will become effective Sept. 1, 1961. Among
the group were several changes in title.

William F. Jenike was promot-

Dixie Excursion Costs Netters Three Defeats
by Allen Quinby

UC"s tennis squad carried an impressive 83 record with it into the state of North Carolina, but received a rude awakening by three Atlantic Coast Conference teams before finally snapping back with a win over Davidson College.

Just prior to leaving for the South the UC netters whipped Belmarrine College of Louisville, Ky., 3-0, and was scheduled to meet Wake Forest Thursday with one more match to be played with other states in the South and West. This was the final match of the doubles finals.

The following day the Bears had their first taste of defeat, April 27, losing to North Carolina State 5-4. The match was not decided until the final doubles match as Mulligan Salig and Jim Hart dumped the UC doubles combination of Hark Hartong and Howard Simms 6-1, 6-1.

On April 19, North Carolina"s Tarheels handed UC its first defeat in several years, 9-0. North Carolina is the defending Atlantic Coast Conference champion. Coach Harry Ferguson described the Tarheels as one of the best teams he has played in the past few seasons. Duke"s Blue Devils then handed UC its third straight setback April 26, losing to the University of Tampa before beating Paul Jones.

On the previous week-end marked the fourth straight match. "The previous week-end marked the fourth straight match. Perhaps his biggest thrill in all of his experiences, according to Dr. Schwarberg, is to win an NCAA baseball championship."

A 3000-mile marathon which started at Columbus and wound its way along the Southern Atlantic Coast kept Glenn Sample"s UC baseball team on its toes for the duration of the spring break.

In the opening game set at the State, the Buckeyes gave part to the state of South Carolina with five runs in the sixth and seventh innings. Terry Heffron drove in two runs on three hits, while support from the UC infield allowed each garnered two hits.

Wolf leads the Buckeyes hitt- ing after eight games with a .514 average. He has slugged over .500 this year to drive in 16 RBIs. Following Wolf are Norris, 457; Lu עוד and Conover, both at .360; Cronin, .326; and Heffron, .324. Individual statistics are:

UC is going to play a doubleheader Friday and Saturday. The Bears will be on top for the next four weekends, with the southern contest opening the season for a single game on Saturday. Rifle Squad Ends Season, 
Cops 2nd, 3rd In Leagues

The University of Cincinnati rifle team, in its recently completed season, captured third place in the Southern Ohio Intercollegiate Rifle League and second place in the Southwestern Ohio Rifle League, composed of Cincinnati adult rifle clubs.

In the intercollegiate league competition, the UC shooters were edged out by Ohio U, with 6089 points, and Dayton, finishing with 6973, as they tallied 6970 points.

In the rifle club league, UC was tied first on a winless basis with the Wilton Rifle Club but lost a shoot-off by a score of 1432 to 1462.

The Bearcat squad captured two of three matches with Xavier University to win the Powell-Clement Trophy. The P. V. Morris Trophy for the highest individual average on the team was awarded to William Colby, who finished with a 211.4 average in college matches. The Bob Davies Award to the most outstanding freshman was given to Robert Brown, while Tom Aults was named most improved freshman.

The UC varsity-freshman team was elected to sponsor the Southern Ohio Intercollegiate Rifle League. The team has, with Xavier, entered a bid to sponsor the 1963 National Intercollegiate Sectional Match, and the bid has been tentatively accepted by National Rifle Association.

The team has tentative plans for an instructor-coach clinic next September and has been invited to the Kansas State and the Illinois Invitational matches next season.

The varsity squad, the freshman team and Ronald Huber, the rifle coach, assisted other organized shooting programs in four ways this past season: 1) sponsored the Southwestern Ohio Junior Rifle League, 2) helped conduct the Bobbi Junior Rifle Championships, and 3) prepared a set of instructional slides which will be available for loan to all junior rifle clubs in the area.

Spring Football

This week began a temporary version of next season's Fighting Bearcat schedule. Spring grid drills under new head coach Chuck Studley will feature new indoctrinations and offenses and defenses.

"We are getting the boys tuned up on offense and defense this week in order that we can take movies of a scrimmage on Saturday," said Studley.

Practice begins promptly at 4 p. m. with a specialty session where punters, extra point kickers and center-quarterback exchanges are practiced. Everyone else starts at 4:20.

Alpha Gams To Pick '61 ‘Alpha Gam Man’

The women of Alpha Gamma Delta have nominated fourteen men from the fraternities on campus to compete for “Alpha Gam Man.” This is an annual contest for the Alpha Gams both at the local chapter and also internationally.

The nominations were announced at the Alpha, Gamma Delta spring formal, which will be held at Greenwich Country Club on May 5. The “Alpha Gam Man” will serve as honorary host at all alumni functions and is invited to Tuesday night dinners.

One man was nominated from each organization, but several were unable to participate. The following fraternities were for the 1961 “Alpha Gam Man” from Alpha Gamma Delta chapters: Lake, Alpha Sigma Phi, Delt Phi Epsilon, Sigma Chi, Delta Sigma Phi, Eta Sigma Phi, Phi Kappa Theta, Phi Sigma Sigma, Phi Lambda Phi, Delta Chi, Sigma Alpha Mu, Lambda Chi Alpha, Delta Upsilon, Phi Lambda Phi, Alpha Chi Omega, Sigma Xi, Sigma Phi Epsilon, Phi Sigma Sigma, Theta Chi, Phi Delta Rho, Delta Chi, Alpha, Gamma Delta, and Gamma Phi Beta.

In order to familiarize the Freshmen Class with the operations of the Air Force Cadet Wing, Col. Frank Dunham, President of the American Federation of Teachers, was selected to command the Air Force ROTC on Thursday, April 21. Col. Dunham was chosen from 14 men who were recommended to Colotul Colonel Zinselmeier, Commandant of the Wing.

Berte had complete command of the wing, including the drill hour and the Social Hour. For the day Colonel Zinselmeier was designated to Mr. John B. von der Ahe, President of Air Force Cadet Wing, to hold a review ceremony.

The wing was established in 1961, and the convention plans for the 50th anniversary of the Union which will be celebrated next year with special events sponsored by the Union Board.

Faculty Dining Room Site of Union Board Banquet

More is the date of the annual Union Board Banquet to be held at the Faculty Dining Room. Members of Union Board, area coordinators, Union Board faculty advisors will attend the banquet.

The banquet will be held each year to recognize Union workers and to introduce new Union leaders. Speaker for the banquet will be announced at a later date.

The banquet will be a kick-off for the 25th anniversary of the Union which will be celebrated by a special Union Board event being planned.

Fraternity Plans Spaghetti Dinner

The members of Alpha Kappa Kappa, the medical fraternity, are sponsoring their annual spaghetti dinner. The Old Spaghetti Dinner will be held Monday, April 18, from 4 to 8 p.m., at the Alpha Kappa Kappa house, which is located at 3906 Bishop Street in Clifton. The donation for the dinner is $1.25, and tickets can be obtained from any member of the fraternity or at the door.

Alpha Kappa Kappa Medical Fraternity has just moved to the new location and the dinner will enable all members of the campus to see the new house. The dinner is also open to the public for the same price.

Summer of 1961 will be a colorful one at the beaches, for the designers, Rose Marie Reed, Jack Ecker, and others have put all silk for bright and startling color combinations.

The conventional solid colors can still be found, but perhaps this year a new combination will lure the crowds away towards the erotic.

Most beach fashions have the Russian or the South Seas look with bright hairline blue, green, red and yellow in flower patterned. Everything is designed to give the romantic, moonlight, beach effect with the warm night air, sandy beaches and the rolling waves adding an air of adventure.

The one piece suit will be the most popular, giving freedom of movement whether swimming, playing, or just relaxing, it will be one piece suit and can also be found in cotton and linens.

The two piece swim suit, or more properly, the two piece skirt, the Lycra Bikini, promises to be among the favorites this year. This suit comes in knits, cotton, or cotton in checks, prints, plaid, floral, or even poka dots.

The swimsuit with jacket will also be available at the beaches this summer. The most practical beach jacket to be found is the ever popular terry cloth short or long in jackets. The Leotard jacket or the swimming suit matched jacket for the sophisticates will give a classy effect for those summer parties.

The best liked suit will probably be the one piece suit with the low cut back for a long line tan. A variety of styles with cut out backs are now being shown. They can be found with diamonds, zebra or V-shaped cut outs with accessories, such as buttons, bows and ties.

Another necessary is the belt, giving the two piece suit a different effect. A smooth line, one piece suit. Many different styles are provided especially with solid color, white, stripes and polka dots alternating on display. A solid color camisole top with patterned shorts or vice versa gives the two piece effect.

All in all it is a new look. The necklines also vary in styles to fit the shapely figure, and the shoulder straps taking the lead.

The necklines also vary in styles, polka dots, stripes, and the rolling waves adding an air of adventure.

All styles are available, the new look black, white, and red. The five colors for the summer are: Red, White, and Blue, as well as silver, gold.

Starting this evening two local playhouse productions will be shown in Cincinnati: “See How They Run,” by Philip King and “Mr. Who Gets Slept,” by Pirandello. “See How They Run” is being brought to the Western Hills Drama Workshop at the Western Hills YM Clubhouse at Cheviot and Montane Avenue. The performances are at 8:30 p.m. April 28 and 29 and Monday, April 30; the performance begins at 8 p.m.

This British farce demonstrates the ability of the English to turn a deft line and develop a subtle situation into an entertaining evening. It embodies the same spark that made successes out of the British comedies which have recently played here. Tickets to “See How They Run” can be purchased at the door at $1.50 or may be obtained by calling Jane Bowman at MU 1-7750.

Bellarmine Players production of “Mr. Who Gets Slept” features UC students Jaden Barber, AKS ’62, and Fred Russover, AKS ’61. The play, a classic drama, will be presented at 8:30 p.m. April 30 and May 7 at the Bellarmine Theater, 26 E. University.

A special student price of $1 is available for the April 28 performance only. Those special price tickets must be purchased in advance of the performance date and can be procured by calling PR 1-7750.

While the sunny environs of FL. Lauderdale satisfied the UC alumni on their week-long reunion trip, it cooled down enough to cause one of the most engaging actors of our time, Eli Wallach, to offer a prolific display of his talents. Ms. Wallach is seen in the second of the current season. -The most electric work I saw last week, three plays.- is, almost too funny. Leads in...
The study has the following principal objectives.

1. To provide a national estimate of how many college students are going into such fields of advanced study as medicine, engineering, and teaching, and will thus provide the government with basic planning data.

2. To determine the influences that prompted the students to choose graduate training.

The sampling group is expected to be large enough to provide reliable national estimates of how many students are going into these fields.

In addition, the survey will seek to learn at what point the student decided to take advanced study and what factors—such as college instructors, scholarships, and socio-economic status—fluenced the decision.

The study will be directed by Dr. Peter H. Rossi, Professor of Sociology and director of the National Opinion Research Center.

Cincinnati representatives for NORC is Mrs. Carolyn Winget, wife of Dr. John Winget, UC Assistant Professor of Sociology.

Mrs. Winget said that she is hoping for a large return from UC students involved in the project as possible.

Through the use of automatic data-processing machines, the center plans to have the preliminary results of the survey available before the end of the academic year. Normally such a survey would take two to three years to complete.

The new officers for the next year of the United Student Fellowship are: David R. Kah, Graduate of the University of Cincinnati; President; Stella Stolz, TD 64, vice president; Mary Lou Perren, Bun. Ad. 64, secretary; Mike Haines, Eng. 65, and Linda Kistem, AA-TC 64, treasurer; and Ann Freell, Ad. 62, chaplain.

The plans for the rest of this school year, besides the regular Sunday supper meetings, include: a decision on Helen Stein and Hell and Pre-Destiny, a visit to Wesley Hall on Mother's Day, and a picnic on May 21.

The book "Barriers to Belief" will also be studied.

The service projects for spring consisted of redecorating the nursery of the church, where the group meets, and adopting an elderly woman at Wesley Hall.

The group was recognized only last spring as a campus organization. It was started in 1958 by the Rev. Herman J. Mehr, pastor of Third Protestant Memorial Church, and two Lutheran and one Evangelical college students. The organization is sponsored by the United Church of Christ, though students are invited to attend the meetings and other functions.

Dr. Kirsner Discusses New Spanish Custom

Spain's traditional "siesta" may be on the way out according to Dr. Robert Kirsner. He sees this as a new social revolution in Spain. "The youth of Spain are struggling mightily to learn English," he said. "On his recent visit, Dr. Kirsner found most young people helped him to address them in English."

This language has become the "key" to a role on the social ladder, thanks to the heavy influx of American tourists. For example, an elevator boy who masters English can become a hotel "concierge" (a position slightly above that of a desk clerk), he explained.

"The Spanish are influenced by the same social mores of the world, by more outside factors," Dr. Kirsner commented. "They see how other people live and they want to attain some of their advantages." Dr. Kirsner found, in fact, that most Europeans today have a new image of the American.

"This is primarily due to the fact that travel is no longer restricted to just a few," Dr. Kirsner said. "Today student offices look to become a part of the world."

To improve their social status over that of their parents, they realize they must work to do so and they see the "siesta" as a waste of time, Dr. Kirsner found.

Influenced by the many American tourists, the Spanish are eagerly adopting fast-service eateries and lunch bars.

Why are some girls prouder of their rings than others?

You see it in her eyes—but the reasons aren't all romantic ones. Her diamond ring is an Artcarved ring. This means it meets rigid standards of excellence in cut, color, weight, color and clarity. And because Keds 'Champion' is right for class, gym, tennis, court or all feet perfectly, 'even narrow ones. Keds "look for it." Republican Club To Sponsor Open Government Talk

The UC Student Republican Club will end this year's activities by sponsoring an open meeting on Cincinnati government at 12:30 Tuesday afternoon, in 127 McMicken.

"We sincerely hope," Hal Malier, law '63, SRC chairman, stated, "to enable UC students to give their views and solutions to Cincinnati problems to Mr. Trabert and Mr. Bushman." Trabert is a graduate of UC. He was appointed to the Council last year to fill the unexpired term of newly elected Congressman Donald Clancy.

"Both Councilman Trabert and Councilman Bushman are very interested in UC," Bob Lowrey, law '63, SRC vice chairman, stated. "They are so interested that they have asked us to bring over a local representative to each meeting to listen to our students."

The program will be conducted along the lines of a town meeting, with the audience offering suggestions, criticisms, and asking questions about Cincinnati.

The program will begin at 12:30 Tuesday afternoon, in 127 McMicken.

Marshall D. Sahlins Lectures This Week

Dr. Marshall D. Sahlins, assistant professor of anthropology, University of Michigan, Ann Arbor, will give two free public lectures this Thursday and Friday.

Dr. Sahlins will lecture Thursday on "The Underdeveloped Area," History Department, both at 8 p.m. in Room 127, McMicken Hall. Sahlins' undergraduate training was at Harvard University, and his doctoral degree was from Columbia University, New York City.

Dr. Sahlins has previously taught at Princeton University and at Columbia, where he was also engaged in independent research sponsored by the University for the Fiji Islands as a research training fellow. He is a member of Sigma XI, American Anthropological Association, American Association for the Advancement of Science, and Phi Beta Kappa.
Social Work School Continues

Ohio State University's Board of Trustees April 14 authorized President Novice C. Fawcett to sign a three-year agreement continuing the School of Social Work graduate program in the Cincinnati area.

The program has been under way since 1959 under an agreement among the Community Chest and Council of the Cincinnati Area, UC, and OSU. Prof. Everett C. Shimp, director of the OSU School of Social Work, said in Columbus that "our experience in the first two years' operation of the Cincinnati Center has been satisfactory to all concerned and provides a firm basis for continuation of the program."

Professor Shimp noted that there has been "very active interest in the educational program by key citizens of the community, selected organized groups, and members of the social work profession."

Members of an advisory committee for the program have been "extremely helpful," he said, in recruiting and in developing scholarship funds.

The Cincinnati program has been financed by fees paid by students enrolled in the Cincinnati Center and from funds supplied by the Board of Trustees of the Community Chest and Council. Physical facilities and library services are provided by UC.

Under terms of the new agreement, student fees will be $18 per credit hour per quarter compared with the previous rate of $15 and will be charged at the same rate thereafter as that in effect at OSU off-campus educational programs at the graduate level. The new rate will be effective with the autumn quarter, 1961.
